AMENDMENT

Assistant Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

In response to the Office Action dated January 9, 1998,  
please enter the following amendments and consider the  
following remarks.

IN THE CLAIMS:

Please amend claims 1, 16, and 17 as follows:

8/5  
B17  
a

1. (Amended) An obstetrical vacuum extractor for placement on a child's head for use during childbirth, the obstetrical vacuum extractor comprising, in combination, a vacuum cup formed of a first material, the vacuum cup having a side wall defining a hollow interior cavity, the side wall having a side wall edge forming a cup opening, the vacuum cup further including a vacuum opening communicating with the interior cavity of the vacuum cup and being adapted for connection to a vacuum source; a lip formed of a polymeric second material, the second material being flexible relative to the first material,
